Language Arts Math Both

An appeal **does not** re-evaluate student data already considered in the original identification process. Scoring at the Above Proficiency on ILEARN, high grades, or high performance on grade level classroom benchmark assessments **are not** valid reasons for an appeal. The purpose of the appeal is for families to bring new information to the attention of the committee that could lead to a different decision. It is not the committee's responsibility to gather data for the appeal. Please return the completed form with any additional documentation to:
